BRINGING SC MANUFACTURERS TOGETHER

CONNEX South Carolina is an industry platform that connects all U.S. manufacturers and suppliers into a single, accurate, searchable supply-chain platform. Manufacturers can quickly post and respond to needs, visualize supply chain risk, search for qualified suppliers, and instantly discover new business opportunities.

FEATURES FOR OEMS:

- Find qualified suppliers based on capabilities including equipment, materials, certifications, SBA designations, locations and more! (No service providers permitted!)

- Rest assured knowing all suppliers have been vetted via U.S. Gov blacklists from the Dept of State, Dept of Commerce, and Dept of Treasury.

- Host virtual events to meet and interview qualified suppliers.

- Send RFIs, RFPs, and RFQs in the CONNEX Exchange Center to only the most qualified candidates.

- Analyze supply chain risk through customized visualization tools.

- Easily identify alternate suppliers to mitigate your risk and strengthen the diversity and resiliency of your supply chain!
